Thank you for participating in the Band's Annual Fundraiser via a Personal Donation!

Our annual fundraising efforts are important so that we can continue to provide scholarships for needy students, professional clinicians to enhance your child's musical education, additional rewards, transportation, etc... While FISD does an excellent job of providing funds for equipment (stands, chairs, instruments...) it does not enough funds for other vital components needed to provide the best band experience possible for our students. It is important we have a successful fundraiser because these additional costs (clinicians, scholarships, awards, bus travel...) will be over \$14,000, this coming year.

Please put your donation in the attached envelope and return it to school no later than Friday, October, 10th. If you have already sent your donation, please complete the information on the envelope and return it so we can ensure your child receives credit for your donation.
