October 2016

Dear Parents,

It is the time of year when the spirit of the holidays fills us with joy! We want to spread that feeling to families in Frisco who need help insuring the holidays are memorable and filled with wonder for their children.

Your child's class is participating in a service project to sponsor an "Angel" during this holiday season. "Angels" are less fortunate children in this community. These families and children will have a joyful and memorable holiday season with your help and generosity. Attached is information about the Angel(s) that has been adopted by your child's class, including clothing sizes, needs, and wishes.

If you would like to participate, please choose an item of need or a wish that the "angel" has listed or contact your child's teacher to help coordinate gifts for your class angel.

Please send your donations to school with your child:

1. **Un-Wrapped** (we understand the kids like to wrap the gifts, but we are limited on space and usually un-wrapped gifts take less room. The angel family will take great joy in wrapping the gifts donated.)
2. **IN A BAG LABELED WITH THE ANGEL NUMBER**
3. ***If you are buying for more than one angel, please send in SEPARATE BAGS, with angel number on each bag/gift***
4. ***If you would like to donate wrapping paper, please send a roll with your gifts***

Your child will take the gift to his/her classroom. **Please send all gifts Monday, November 28.**

If you, your family, your work, or an organization would like information on adopting angels or volunteering, please contact Randi Baker at bakerma@friscoisd.org or 469-633-6861.

The holidays are often a time to remember our blessings and to help others in need. Thank you for helping others to enjoy the holidays with a sense of spirit and cheer!
