Hurricane Harbor Water Park Arlington Monday, June 8th

This is the 14th annual Hurricane Harbor trip for the Clark Band. The park, located in Arlington, is filled with various water rides and pools. While large, the park is extremely safe. In addition to the huge number of lifeguards on duty, we will be bringing one chaperone for every 12-15 students.

The cost of the trip is \$35.00 per person. This includes the cost of admission and an all-you-can-eat hamburger and hotdog lunch. Please make your check **(no cash)** payable to the "CLARK BAND" by **May 15th**. At the **bottom** of your check, please write the **full name of your child**.

8:45 AM: Roll call at Clark (eat breakfast before you come)

9:00 AM: Buses depart for Hurricane Harbor

5:30PM: Depart for Clark

7:00 PM: Return to Clark

Please bring an appropriate swim suit, towel, sunscreen, sandals, sun glasses and a change of clothes for the return trip. Although lunch will be provided, you will likely need a few extra dollars for drinks and afternoon snacks. Chaperones and band directors will not be responsible for watching anything of value. Lockers will be available to rent for \$20.00 and up. Please reapply sunscreen throughout the day as we are going to be in the sun for most of the day.

We would love for you to chaperone! A discounted rate of \$29.00 is available for adult chaperones. If you are available to help, please contact Rhonda Mendez or Allison Kullenberg at cmsband_volunteers@yahoo.com.
