Centennial Cluster Bands

Winter Concert at Stonebriar Community Church

Please park on the Parkwood side of the church (the side with the fountains). Enter through the glass doors at the circle drive. Each band will have a designated area for their cases in the atrium, just search for your sign. In the auditorium, each band will have an area to sit while the other bands perform. When your band is done performing, students are welcome to stay but need to sit with their families, bands will not sit together after their performance.
